

MARCO ROSA - CURRICULUM VITAE

Born in Trento October 29th 1956.

Married to Sabina with two daughters: Ludovica and Eugenia born in 1996 and 1998.

Professional Education:

- Maturità Classica (High School Graduation in Classical Studies)
- Graduated as Medical Doctor (110/110 with laude) - Bologna University.
- Postgraduated in Dentistry (70/70) - Bologna University.
- Postgraduated in Orthodontics (100/100 with laude) - Cagliari University.
- Graduated as "Alpine-Ski Instructor" and "Federal Coach of Alpine Ski" (Italian Federation of Winter Sports)
- Voluntary work as a Medical Doctor and ambulance-operator with UNITALSI 1984-85.

Active Membership:

- Angle Society of Europe, past-President
- European Board of Orthodontics
- Italian Board of Orthodontics
- Accademia Italiana di Ortodonzia
- Accademia Italiana di Conservativa
- Società Italiana di Ortodonzia

Awards:

1. Orthodontic World Federation. "Best Clinical Article Award 2015".
2. "Best Clinical Oral Presentation", SIDO Award 2016.
3. American Journal of Orthodontics and Dentofacial Orthopedics. BF and HE Dewel Award. 2017. "Best research clinical article of the year published on the American Journal of Orthodontics and Dentofacial Orthopedics.
4. American Association of Orthodontists Annual Meeting 2024. Best Table Clinic.

Honorary Member of Italian Orthodontic Academy

Past President of the ASE - Angle Society of Europe (2013-14)

Past President of ASIO - Italian Association of Specialists in Orthodontics (1998 - 2001)

Teaching Activity:

- Visiting Professor at State University Milan
- Visiting Professor at Padua University
- Visiting Professor at Insubria University, Varese, Italy. 2004-2020
- Visiting Professor from 1994 to 2003 at Parma University
- Clinical Instructor from 1983 to 1998 at Centro Studi e Ricerche in Ortognatodonzia, La Spezia, Italy
- Examiner at European Board of Orthodontics 2004 (EOS Aarhus, Denmark).
- He published and regularly lectures internationally
- Associate Editor - Progress in Orthodontics
- Article Reviewer - Am J Orthod Dentofac Orthop / Eur J Orthod / Eur J Ped Dent

His primary areas of interest are:

1. "Early Treatment in Mixed Dentition: Key Points and New Procedures"
2. "Missing Upper Lateral Incisors: Predictable Space Closure in search of Excellence"
3. "Missing Upper Incisors: Space Closure in All Malocclusion Looking for Long Term Health, Esthetics and Function"

4. "Interdisciplinary Treatment in the Adult Patient"
5. "Orthodontics and Periodontics"

Private practice, limited to Orthodontics

Piazza della Mostra 19, I-38100. Trento - Northern Italy.

Tel.: +39 0461 986646. Fax: +39 0461 986474.

139. "Missing Maxillary Lateral Incisors: Indications and Guidelines for Optimal Space Closure". **American Association of Orthodontists** Annual Session. Official Scientific Lecture. **Seattle, WA, USA**. May 21st 2007. Official lecture
140. "Il palato stretto: la gestione ottimale". Corso di formazione per i Pediatri. Treviso May 26th 2007
141. "Il palato stretto: la gestione ottimale". Corso di formazione per i Pediatri. Padova. June 9th 2007
142. "Missing Maxillary Incisors: A Discussion on Treatment Plan, Indications and Guidelines for optimal Space Closure". **Continuing Education: III European Event**. Rome. Italy. September 20th-23rd 2007. Official lecture
143. "Missing Maxillary Lateral Incisors: Indications and Guidelines for Optimal Space Closure". 11th Meeting of the **Polish Orthodontic Society**. September 28-29th 2007. Lublin. Poland. Official lecture
144. "Missing Maxillary Lateral Incisors: Indications and Guidelines for Optimal Space Closure". Suomen Hammaslääkärisseura Apollonia. **Finnish Dental Society** Apollonia Annual Dental Congress 2007. Helsinki. Finland. November 14th 2007. Official lecture
145. "Interdisciplinary Treatment for patients with Missing Teeth: Looking for Details". The 3rd International **Vienna Orthodontic Symposium** "Quest for the Best - orthodontic excellence through an interdisciplinary approach". Vienna. Austria. December, 7-8th 2007. Official lecture
146. "Interdisciplinary Treatment: Looking for Optimal Finishing in the Front Area". **1st Orthodontic Spring Break**. "Finishing: The state of the art". Venice. Italy. April 11-12th, 2008. Official lecture
147. "Il trattamento multidisciplinare conservativo in alternativa alla sostituzione protesica dei denti assenti". Lecture nell'ambito del Corso Annuale di Aggiornamento per Specialisti in ortognatodonzia. Università degli Studi di Ferrara. Scuola di Specializzazione in Ortodonzia. Ferrara, September 13rd 2008
148. "Missing Laterals, Facial Profile and Vertical Dimension". Lecture at **Angle Society of Europe** Annual Meeting. Going, February 4th 2009. Austria
149. "Missing Maxillary Lateral Incisors: Indications and Guidelines for Optimal Space Closure". **European Begg Society Biennial Meeting**. Thun. Switzerland. May, 23rd 2009
150. "Class II Early treatment". Keynote Lecture. **Polish Orthodontic Society** Annual meeting. Wroclaw, Poland. September 10th 2009
151. "Class II early Treatment: is it always an Overtreatment?" Continuing Education -IV° **European Event**. Roma September 25-27th 2009

152. "10 YEARS OF EXPERIENCE in Missing Maxillary Lateral Incisors: Rationale and Guidelines for optimal Orthodontic Space Closure". "Master Classes - 10 years of experience in Agenesies: implants or ortho?" **European Association for Osseointegration** 18th Annual Scientific Meeting - Monaco, Sept 30th - October 3rd 2009. Official lecture
153. "Missing Maxillary Lateral Incisors: Guidelines and New Indications for optimal Orthodontic Space Closure". **Swiss Orthodontic Society** Annual Meeting 2009. **Zurich**. November 5-7th 2009. Official lecture;
154. "Missing Maxillary Lateral Incisors: Guidelines and New Indications for optimal Orthodontic Space Closure". 12th Orthodontic Days. November, 6-9th 2009. Congress Center – Porte Maillot – **Paris**. **Official lecture**
155. "Missing Maxillary Lateral Incisors: Striving for perfection". 7th International Orthodontic Congress. **Sidney, Australia**. Feb 6-9th 2010. **Official lecture**
156. "Orthodontics and Interdisciplinary Treatment for Missing Teeth in the Front Area: Space Closure and Natural Root Substitution vs Implants". **Austrian Dental Association** annual meeting. Internationales Frühjahr Seminar. Meran. June 29th - May 1st 2010. **Official lecture**
157. "Missing Maxillary Lateral Incisors: Guidelines and New Indications for optimal Orthodontic Space Closure". Booy Foundation. **Appledorn, Holland**. June 3rd 2010
158. "Early Treatment: Overtreatment or an effective and efficient way to correct malocclusions?" **European Academy of Pediatric Dentistry**. **Harrogate - UK**. June 4th 2010. **Official lecture**
159. "Esthetic considerations, striving for perfection". Gnathologischer Arbeitskreis Stuttgart. October 2nd 2010. Stuttgart, Germany
160. "Missing lateral incisors, Orthodontic space closure". Gnathologischer Arbeitskreis Stuttgart. October 2nd 2010. **Stuttgart, Germany**
161. "Interdisciplinary treatment, Looking for details". **Gnathologischer Arbeitskreis Stuttgart**. October 2nd 2010. Stuttgart, Germany;
162. "Lower incisor intrusion and periodontal breakdown: a discussion on clinical details". **Angle society of Europe** 40th Annual Meeting. January 28th 2011. Going, Austria
163. "Il trattamento interdisciplinare nella gestione estetica del settore frontale parzialmente edentulo. (Management of the partial edentulous anterior region: An Interdisciplinary approach)". **Congresso Nazionale Accademia Italiana di Ortodonzia**. Bologna, April 1st 2011
164. "Space closure and natural root substitution for missing teeth in the smile area: Looking for crucial details". **American Association of Orthodontists** Annual Session. Chicago, IL, USA. May 16th 2011. Official lecture
165. "Space closure and natural root substitution for missing teeth in the smile area: Looking for crucial details". **RWISO** Annual Session. **Chicago, IL, USA**. May 18th 2011. **Official lecture**
166. "Orthodontics and Interdisciplinary Treatment for Missing Teeth in the Front Area: Space Closure and Natural Root Substitution vs Implants". CEO **Collège Européen Orthodontie**. **Reims, France**. June 10th 2011. Official Lecture
167. "A new non-compliance method for early orthodontic treatment: why, how and when to correct some malocclusions without touching permanent teeth". Verein Tiroler Zahnärzte. **Innsbruck, Austria**. June 16th 2011

168. "A new method for treatment in mixed dentition: why, how and when to correct some malocclusions without touching permanent teeth". EOS 2011. **European Orthodontic Society annual Congress. Istanbul. Turkey.** June, 20th 2011. **Keynote Lecture**
169. "Early Treatment: a new method". Ferrara University. "Champions and Rising stars". September 23rd 2011
170. "Missing incisors: Space closure vs Implants". Ferrara University. "Champions and Rising stars" Series. September 23rd 2011
171. "Treatment of class 2 subdivision in the mixed dentition". Congresso Nazionale SIOB. Firenze. October 1st 2011
172. "Un nuovo metodo di trattamento ortognatodontico in dentatura mista: come, quando e perché correggere alcune malocclusioni senza toccare i denti permanenti". SIOI Fall Meeting 2011. November 12th 2011
173. "Agenesia degli incisivi laterali superiori: chiusura degli spazi o sostituzione impianto-protesica?". IdeaT lecture online. November 29th 2011
174. "Crucial role of age and timing for effective/efficient treatment in the mixed dentition". IVOS 2011. International Orthodontic Symposium. **Vienna.** December 12th 2011. **Invited Lecture**
175. "Missing Lateral Incisors: Treatment considerations". Angle Soc of Europe Annual Meeting - State of the Science day. Going, Austria. February 2nd 2012
176. "Missing Lateral Incisors: Treatment considerations". **Angle Soc of Europe** Annual Meeting - State of the Science day. Going, Austria. February 2nd 2012. **Invited Lecture**
177. "Orthodontics on the move - where are we going?". "FASZINATION SEITENZAHNBE- REICH". **Internationales Frühjahrs-Seminar.** Verein Tiroler Zahnärzte. April 29th 2012. Meran. Italy
178. "Early Treatment: Crowding and transverse discrepancies: predictable outcomes using non-compliance techniques." 50th Anniversary of the Sheffield and District Orthodontic Study Circle. Supported by the **British Orthodontics Society.** July 6th 2012. Sheffield UK. **Lecture**
179. "Early Treatment: Severe skeletal discrepancies: what we know is working, what we know doesn't work and new suggestions for the future." 50th Anniversary of the Sheffield and District Orthodontic Study Circle. Supported by the **British Orthodontics Society.** July 6th 2012. Sheffield UK
180. "The orthodontic-periodontal interface: The evidence and clinical experience". 50th Anniversary of the Sheffield and District Orthodontic Study Circle. Supported by the **British Orthodontics Society.** July 6th 2012. Sheffield. UK
181. "Space closure and natural root substitution for missing teeth in the smile area: Looking for crucial details". **Gesellschaft fur Kieferorthopaedie von Berlin** und Brandenburg e.V.. September 14th 2012. Berlin
182. "Management of upper missing incisors: space closure vs implants". 2nd International Meeting Italian Academy of Aesthetic Dentistry. September 21st 2012. Venice. Italy
183. "New procedures and indications for missing laterals interdisciplinary treatment". **XXIV International Meeting.** October 13th 2012. Florence. Italy
184. "New strategies for Treatment from Mixed Dentition to Surgery". **Orthodontic Society of Ireland.** Autumn Meeting & AGM. November 24th 2012. Dublin. Ireland

185. "Missing Teeth in the Smile Area: Priorities in Treatment Planing and Finishing". **Orthodontic Society of Ireland**. Autumn Meeting & AGM. November 24th 2012. Dublin. Ireland
186. "Treating Skeletal and Dento-alveolar Discrepancies in Mixed Dentition". 30° S.I.TE.-**BI. Anniversary Meeting**. November 30th 2012. Rome. Italy
187. "Gingival recession and Orthodontics: a clinical matter". **Angle Society of Europe** Annual Meeting. Going. Austria. January 31st 2013. Invited Lecture
188. "Trattamento interdisciplinare in caso di assenza degli incisivi superiori: Chiusura degli spazi o sostituzione protesica?". AIO Trento. April 4th 2013
189. "Agenesia degli incisivi laterali superiori: i dettagli che fanno la differenza". **V Meeting Mediterraneo AIOP** Riccione, April 12-13rd 2013
190. "Il restauro e l'utilizzazione dei denti decidui per la prevenzione e la terapia precoce delle malocclusioni." XVI Congresso Nazionale dell'Accademia Italiana di Conservativa. Riva del Garda. April 19-20th 2013. Invited Lecture
191. "New clinical procedures and indications for missing laterals space closure interdisciplinary treatment". **Official lecture**. 113th **American Association of orthodontics** Annual Session. Philadelphia Convention Center. May 3-7, 2013
192. "Soluciones diferentes para el tratamiento de las Agenesias dentarias y sus indicaciones: Cierre de espacios". 59° **Congreso Sociedad Espanola de Ortodoncia**. June 5-9th 2013. Oviedo. Spain
193. "Missing teeth in the smile area: Priorities in treatment planning and finishing". **Keynote Lecture** at 89th **Congress of the European Orthodontic Society**. June 26-29th 2013. Reykjavik. Iceland
194. "Orthodontics and Interdisciplinary Treatment for Missing Teeth in the Front Area: Space Closure and Natural Root Substitution vs Implants". **"1st Sverker Toreskog Memorial Lecture"**. Scandinavia Academy of Esthetic Dentistry. Bergen. **Norway**. Aug 30-31st 2013
195. "Orthodontics and Periodontal breakdown in the Front Area:Intrusion vs Extrusion". **"1st Sverker Toreskog Memorial Lecture"**. Scandinavia Academy of Esthetic Dentistry. **Bergen. Norway**. August 30-31st 2013
196. "Space closure in the hyper-divergent patients with congenitally missing lateral incisors". **Keynote Lecture**. 86th Annual Scientific Convention of the German Orthodontic Society (Deutsche Gesellschaft für Kieferorthopädie, DGKFO), September 18th-21st, 2013. **Saarbrücken, Germany**
197. "Orthodontics and Interdisciplinary Treatment of Missing Teeth in the Smile Area - Part 1: Healty Periodontium. Keynote Lecture at Annual Israeli Dental Society Meeting. November 1st 2013. **Tel Aviv**. Israel. Invited Lecture
198. "Orthodontics and Interdisciplinary Treatment of Missing Teeth in the Smile Area - Part 2: Periodontal Breakdown. Keynote Lecture at Annual Israeli Dental Society Meeting. November 1st 2013. **Tel Aviv**. Israel. Invited Lecture
199. "Orthodontics and Interdisciplinary Treatment of Missing Teeth in the Smile Area - Part 1: Healty Periodontium." Power 2 Reason - The **Dubai Symposium**. November 28-29th 2013. Dubai
200. "Orthodontics and Interdisciplinary Treatment of Missing Teeth in the Smile Area - Part 2: Periodontal Breakdown." Power 2 Reason - The **Dubai Symposium**. November 28-29th 2013. Dubai

201. "Non compliance treatment of Class II subdivision in the mixed dentition: A preliminary report". 43° **Angle Society of Europe** annual meeting. Going. Austria. Jan 31st 2014
202. "Early Treatment: the key points". Keynote Lecture at **SIDO International Spring Meeting**. March 6-8th, 2014 Turin "Orthodontic Early Treatment - The State of Art". Turin, March 8th 2014
203. "Missing Maxillary Lateral Incisors: New Procedures and Indications for optimal Space Closure". Keynote Lecture at 24th **Australian Orthodontic Congress (AOC)**. March 30th 2014. Adelaide. Australia
204. "Missing Incisors: Orthodontics and Periodontal Breakdown". Keynote Lecture at 24th **Australian Orthodontic Congress (AOC)**. April 1st 2014. Adelaide. Australia
205. "Early Treatment for Missing Teeth". 114th **American Association of Orthodontists** Annual Session - Morial Convention Center. New Orleans, LA USA. April 28th 2014
206. "Ortodonzia: elemento chiave nella riabilitazione interdisciplinare". **Keynote Lecture**. Amici di Brugg Meeting. May 23 2014. Rimini. Italy
207. "Priorities and guidelines for effective interdisciplinary treatment in the aesthetic zone. Part 1: healthy periodontium. **Unitek Symposium: the ultimate challenge in orthodontics. London. Chelsea Stadium**. July 4th 2014
208. "Priorities and guidelines for effective interdisciplinary treatment in the aesthetic zone. Part 2: periodontal breakdown". **Unitek Symposium: the ultimate challenge in orthodontics. London. Chelsea Stadium**. July 4th 2014
209. "Interdisciplinary Treatment of CMLI". Sept 22nd 2014. IDEAT annual program. Italy
210. "A new approach to cl 2 subdivision and mandibular asymmetry in the mixed dentition"; Keynote Lecture at Nordic Orthodontic Congress. October 3rd 2014. **Bergen. Norway**
211. "Il Timing nel trattamento ortodontico ed implantologico delle agenesie." SISCOO Annual Meeting. October 4th 2014. Milan. Italy
212. "Missing maxillary lateral incisors: space closure looking for excellence". European society of Cosmetic Dentistry". October 10th-11th 2014. **Rome**
213. "Key Points and New Procedures for Early Treatment". Keynote Lecture. 9th Annual **Meeting of the Saudi Orthodontic Society**. February 7th 2015. **Riyadh. Saudi Arabia**
214. "Missing Maxillary Lateral Incisors: Space Closure Looking for excellence". Keynote Lecture. 9th Annual Meeting of the **Saudi Orthodontic Society**. Feb 8th 2015. **Riyadh. Saudi Arabia**
215. "Orthodontics: Key Element in the Interdisciplinary rehabilitation". **Keynote Lecture**. 9th International Jordanian Orthodontic Congress, **Amman - Jordan**. April 21st -24th 2015
216. "Early Treatment: Key points and new procedures". Official Lecture. **American Association of Orthodontists** Annual Session. May 15th-19th 2015. **San Francisco. CA. USA**
217. "Early Treatment: Key points and new procedures". **Opening Keynote Lecture**. The 2nd Baltic Sea Conference on Orthognathic Surgery and Orthodontics. **Riga. Latvia**. June 5th 2015

218. "Treatment of Missing Lateral and Central Incisors". NESO 2015 Annual Meeting. **Providence, Rhode Island, USA**. September 10-13 2015. **Keynote Lecture**
219. "Early Treatment: The Key Points and a New Method". NESO 2015 Annual Meeting. **Providence, Rhode Island, USA**. September 10-13 2015. **Keynote Lecture**
220. "Canines as Laterals". World Federation of Orthodontists, 8th International Orthodontic Conference Congress. **ExCel London**. September 27-30th 2015. Keynote Lecture
221. "Priorities in Orthodontics". 1st **WFOPS Meeting. World Federation of Orthodontists**, 8th International Orthodontic Conference Congress. **ExCel London**. September 27-30th 2015. Invited official Lecture
222. "Crowding in the mixed dentition: Treatment or over-treatment?". **World Federation of Orthodontists**. 8th International Orthodontic Conference Congress. **ExCel London**. September 27-30th 2015. **Keynote Lecture**
223. "Early treatment of Class III malocclusion by RME and face-mask therapy with deciduous dentition anchorage". **World Federation of Orthodontists**. 8th International Orthodontic Conference Congress. **ExCel London**. September 27-30th 2015
224. "Procedura semplici ed efficaci di ancoraggio sui denti decidui e su tad per un trattamento ortodontico migliore ed innovativo". XLVII Congresso ORTEC/SIDO. 46th **SIDO International Congress**. Milan. October 30-31st 2015
225. "Intrusion or extrusion? What is the best in patients with severe periodontal breakdown in the aesthetic area?". Updating Course: "Life long integrated Orthodontic and Periodontal Care". 46th **SIDO International Congress**. Milan. October 29-31st 2015
226. "Ortodonzia e Odontoiatria Restaurativa dall'Infanzia all'Adolescenza". Congresso Provinciale ANDI TN. Trento, November 14th 2015
227. "La prognosi dei movimenti ortodontici dai risultati controversi". **Florence Perio Group** Annual Congress. Invited Lecture. Firenze. November 11-12th 2015
228. "Treatment of Anterior Open Bite in the Mixed Dentition: A preliminary report". Lecture at 45th Annual Meeting of the **Angle Society of Europe**. Going. Jan 28th 2016. Austria
229. "Ortodonzia: elemento chiave nella riabilitazione interdisciplinare". IX° CONVEGNO ORTODONZIA LEGGE E MEDICINA LEGALE. Modena, April 9th 2016
230. "Maxillary missing laterals: evidence based priorities for long-term success." **American Association of Orthodontists** Annual Congress. Orlando. Florida. USA. April 30th 2016
231. "Maxillary missing laterals: evidence based priorities for long-term success." **British Orthodontic Conference**, September 24th 2016. Brighton Centre. Brighton. U.K
232. "Uncommon solution in the treatment of missing teeth". **Keynote Lecture**. 47th **SIDO International Congress**. Firenze. October 15th 2016
233. "The correction of Anterior Open Bite in the Mixed Dentition: Treatment or Over-treatment?". **1st Awarded Free Lecture**. 47th SIDO International Congress. Firenze. October 15th 2016
234. "Multidisciplinary Treatment of Dental Agenesis". 3rd **International Orthodontic Symposium** Alpe-Adria. November 25th 2016. Padova. Italy

235. "Orthodontic Management of Soft Tissues in patients with Severe Periodontal Breakdown". 46th **Angle Society of Europe** Annual Meeting. Jan 25th 2017. Going. Austria. Invited Lecture
236. "Maxillary impacted canines in mixed dentition: early diagnosis and treatment". 10th Interim Seminar of the **Academy of Pediatric Dentistry**. Turin, Italy, April 20th-22nd 2017. Keynote Lecture
237. "Missing maxillary lateral incisors: Space closure looking for excellence". Annual Meeting of the **Slovak Orthodontic Society**. Bratislava, Slovakia. April 7-8th 2017
238. "Treatment in the Mixed Dentition: New procedures". Opening Keynote Lecture. **Polish Orthodontic Society International Congress**. Lodz. Poland Sept 14th 2017
239. "Space Closure looking for Excellence". **European Academy of Osteointegration Annual Congress**. Madrid. Spain. October 6th 2017. Keynote Kecture
240. "Orthodontic management of the hard and soft tissues in patients with severe periodontal breakdown". The **Soho Symposium**. December 1st 2017. **London**. UK
241. "Maxillary Missing Laterals: Predictable Space Closure looking for Excellence". Lecture at **Brasilian Board of Orthodontists**. Belem. BRASIL. October 13rd 2017
242. "Maxillary Missing Lateral Incisors: An Update". 47th **Angle Society Annual Meeting**. January 31st 2018. Going. Austria
243. "Orthodontic management of the periodontal tissues in the smile area". **Scandinavia Power Reason Meeting**. Stockholm. March 23rd 2018
244. "Finitura ortodontica e gestione dei tessuti molli nell'area del sorriso". **INTERNATIONAL ORTHODONTIC SPRING MEETING**. 10° Congresso Nazionale dell'Accademia Italiana di Ortodonzia. Venice. April 18-19th 2018
245. "Congenitally Missing Lateral Incisors: Space Closure looking for Excellence in all Malocclusions". **Official Lecture. American Association of orthodontists Annual Session**. Washington DC. May 6th 2018
246. "Priorities in Orthodontics". Invited Lecture. Memorial G.Cozzani. La Spezia. Italy. September 22nd 2018
247. "Agenesia degli incisivi laterali superiori: chiusura degli spazi alla ricerca dell'estetica e della salute in tutte le malocclusioni". Keynote Lecture. 50° Anniversario SIDO. 49° Congresso Internazionale SIDO. October 13rd 2018. Firenze
248. "Missing Incisors: Space Closure looking for Aesthetics and Health". AIO Congress. Trento. October 24th 2018. Italy
249. "Priorities in Orthodontics". Invited Lecture, **Angle Society of Europe** Annual Meeting. January 30th 2019. Going. Austria
250. "Open Bite in Mixed Dentition: Treatment or Overtreatment?". Invited Lecture. XI Congresso dell'Accademia Italiana di Ortodonzia. Pescara. April 6th 2019
251. "Missing Teeth in the Smile Area: Space Closure and Orthodontic Manipulation of the Periodontal Tissues". **American Association of Orthodontists** 2019 Annual Session. Los Angeles. USA. May 5th 2019
252. "Space Closure in case of Missing Upper Incisors: How to fix occlusion looking for long term health". **Keynote Lecture. 95th European Orthodontic Society Congress**. Nice. France. June 18th 2019

253. "Orthodontic Interception: When and How". 92eme Reunion Scientifique. **Société Française d'Orthopédie Dento-Faciale**. Nizza. Francia. June 19th 2019. Invited Lecture
254. "Orthodontic edentulous space elimination. Space closure irrespectively the craniofacial classification. Outcome evaluation of facial and dental esthetics." **Keynote Guest Lecture. European Academy of Esthetic Dentistry**. Closed Meeting 2019. September 20th-21st 2019
255. "La Terapia della Malattia Parodontale di Grado III and IV: La Soluzione Ortodontica". **Società Italiana di Parodontologia ed Implantologia**. October 4th 2019. Turin
256. "Priorities in Orthodontics". The Orthodontic Circle Day. 50th **SIDO International Congress**. October 10-12th 2019. Rome
257. "Esthetics in Orthodontics: our Obligation and a possible Trap", **Keynote lecture. 50th SIDO International Congress**. October 10-12th 2019. Rome
258. "Missing Incisors: Space Closure looking for excellence in all malocclusions". **Keynote Lecture. World Implants Orthodontic Congress**. Bucharest October 24-26th. 2019
259. "Priorities in Orthodontics": **Bucharest. Romania**. Nov 24th 2019. Keynote Lecture
260. "The link between craniofacial growth, function and clinical orthodontics: CI II High angle cases". **Invited Lecture. Angle Society of Europe** Annual Session. Going. Austria. January 30th 2020
261. "Missing Laterals/ Space Closure, Profile and Smile esthetics". Webinar. **Padua University Webinar**. March 28th 2020. (full audience / 1.000 attendees)
262. "Upper Missing Incisors: Space Closure in All Malocclusions Looking at Crucial Details". **ASE & EHASO Webinar**. March 31st 2020. (1.550 attendees). https://zoom.us/j/4180392VHGd7QMAI-0aaa80SEWr_YNmkiWumK6E7rDGs_zcQJa-44?startTime=1585665432000
263. "Class II subdivision: Diagnosis and Treatment in the Mixed Dentition". Webinar. **Padua University**. April 4th 2020. (full audience / 1.000 attendees);
264. "Intrusion or Extrusion of the incisors in case of severe periodontal breakdown". **Ferrara University**. Webinar. April 17th 2020 "Orthodontic and Interdisciplinary Treatment of Periodontitis Stage III and IV". 1st SIDO-AIDOR Congress. April 29th 2020. Webinar
265. "Orthodontic and Interdisciplinary Treatment of Periodontitis Stage III and IV". 1st SIDO-AIDOR Congress. April 29th 2020. Webinar
266. "Lower Anterior Teeth: Esthetics and Orthodontic Management". **Accademia Italiana di Ortognatodonzia**. Pearls in Orthodontics. Webinar. Friday June 12th 2020. https://www.facebook.com/watch/?comment_id=2716234455300963&v=1548425868660862
267. "Priorities in Orthodontics". **American Orthodontics** Power 2 Reason. Continuing education webinar. June 19th 2020. (1.900 attendees)
268. "Management of missing and impacted teeth in the growing patients". WHAT'S NEW. Streaming new ideas from the **most famous orthodontists online. Webinar**. July 25th 2020. https://drive.google.com/drive/folders/1NTveXaRI9zfk_iogTn1Oy2nbeBLrLel2?usp=sharing

269. "Missing laterals: new procedures for non-compliance, faster space closure and digitally planned orthodontic finishing". **3M E-xcellere Digital 2020**. November 24th 2020. **Worldwide Webinar**
270. "Priorità nell'Ortodonzia che cambia". Webinar. Your Dental Coach. December 9th 2020.
271. "Orthodontics and Dental Trauma": Why, When, How". Keynote Online Lecture. Italian Academy of Endodontics. Annual Meeting. May 14-15th 2021
272. "Rapid Palatal Expansion anchored to Primary Teeth in the Mixed Dentition: Rationale, Indications, Tips and Tricks". OHI-S Online Lecture. June 14th 2021. OHI-S
273. "La gestione dei Traumi Dentali: Il ruolo della terapia ortodontica e di quella parodontale: come, quando e perchè". Italian Endodontic academy Annual Session. On-line **keynote lecture**. May 15th 2021.
274. "Early Orthodontic Treatment: when, how, tricks and tips". Webinar Invited Lecture. June 5th 2021. OHI-S.
275. "Missing Laterals. Space Closure in all Malocclusions Looking for Health, Esthetics & Function". **Örebro University. Sweden**. September 29th 2021. Invited Lecture.
276. "RPE anchored on Deciduous Teeth in the Mixed Dentition: Why, When, How". **Örebro University. Sweden**. September 29th 2021. Invited Lecture.
277. "30 years in orthodontics: what's changed". Memorial Calandriello. **Keynote Lecture**. Bologna. October 3rd 2021.
278. "Lower Anterior Teeth: Esthetic and Orthodontic Management". **Societad Argentina de Ortodoncia**. September 22nd 2021. Invited online lecture.
279. "Interdisciplinary Treatment in Mixed Dentition". 52nd SIDO / 18th AIDOR **International Congress**. Florence, Italy. October 11th 2021.
280. "Early Treatment of Missing and Impacted Teeth". SIOI 1st **International Congress**. Online **Keynote Lecture**. October 27th 2021.
281. "Incisivi superiori assenti: chiusura degli spazi e manipolazione ortodontica dei tessuti parodontali". Italian Academy of Osseointegration. Keynote Lecture. March 23rd 2022. Milan & streaming.
282. "Open Bte in the Mixed Dentition: Treatment or Overtreatment?". Italian Ortodontic Academy. International Congress. **Keynote Lecture**. Roma 30 aprile 2023.
283. "Upper missing Incisors: Space Closure looking for excellence in all malocclusions2. **Keynote Lecture**. 3rd International Congress on tooth Transplantation. **Prague**. Czech Rep. May 19-21st 2023.
284. "Missing Laterals: Space Closure is the frst step. Finishing is the real challenge". Benefit International Meeting. Keynote lecture. Dusseldorf. June 18th 2022.
285. "Missing Laterals: Finishing is the Challenge". Beggs meets Arco. International Congress. Keynote Lecture. June 24th 2023.
286. "Interdisciplinary treatment looking at the future". The fiteure of Dentistry International Congress. Padua University. Keynote Lecture. Sept 18th 2022.
287. "Crowding in Mixed Dentition: reatment or overtreatment?". SIDO International Congress. Florence, October 14th 2022.

288. "Missing laterals: digitally planned procedures for indirect bonding and easier orthodontic finishing after space closure. ORTEC Congress. Florence, October 14th 2022.
289. "The ortho-perio interface - Extrusion or intrusion: What is the best in patients with severe periodontal breakdown in the aesthetic area?" European Orthodontic Society webinar series on "Common interdisciplinary orthodontics: what the practitioner needs to know" online from 7-23 October 2022.
290. "Evoluzione delle tecniche ortodontiche nel trattamento interdisciplinare dei casi complessi". Florence Perio Group Anniversary Meeting. Keynote Lecture. Dec 3rd 2022.
291. "Gestione della monoedentulia anteriore" Accademia Italiana di Conservativa. ArenaAIC on line. Webinar. Dec 6th 2022.
292. "Open Bite in Mixed dentition: Treatment or Overtreatment?" Israel Orthodontic Association. Keynote lecture. Webinar. Dec 8th 2022.
293. "Aligners Master: 60 minutes with the expert". March 7th, 2023. Webinar
294. "Interceptive Orthodontics: Best Investment or Overtreatment?" Lecture. SIDO International Spring Meeting. Roma. March 17th 2023.
295. "Early Treatment: Diagnosis, Treatment and Ethics". Keynote Lecture. SIDO International Spring Meeting. Roma. March 18th 2023.
296. "Aligners Master: 60 minutes with the expert". March 7th, 2023. Webinar
